

Vive la Loire, AOP Touraine Sauvignon, Blanc

VIGNOBLES
EDONIS
LE VAL DE LOIRE ÉVEILLE VOS SENS

LOCATION : The Touraine vineyard in the Cher valley is located around Saint-Aignan sur Cher.

TERROIR : It is located on the hillsides, on clay and flint soil; and on the slopes, on siliceous soil on clay, thus allowing the intensity and crunch of the Sauvignon grape variety to be expressed.

WINEMAKING : Harvest of grapes at controlled maturity for aromas such as fresh fruit and ripe fruit.

Cold stabilization of the must for a week to enhance these aromas. Fermentation in stainless steel vats temperature-regulated at 18°C in order to preserve the aromatic potential of the grapes.

SERVING : Enjoy chilled (around 10-12°C).

FOOD PAIRINGS : Serve as an aperitif or with fish, savory cakes, summer raw vegetables (tomato mozzarella), tarragon verrines and goat cheeses.
