

Muscadet Coteaux de la Loire

Aubinière

LOCATION : To the north-east of Nantes, the banks of the river rise up towards Ancenis. The relief accentuate the vivacity, giving a tonic wine !

TERROIR : Eruptive and metamorphic rocks of the Armorican massif: gneiss, granite, micaschists, green rocks.

WINEMAKING : Pressed and then fermented in temperature controlled tanks. This wine is bottled early to preserve its freshness.

VARIETALS : Melon de Bourgogne 100%

SERVING : To be enjoyed between 8 and 10°C.

FOOD PAIRINGS : Accompanies seafood, oysters, grilled fish or fish in sauce, goat cheese and even white meats.

A white wine with complex aromas of white fruits, toast and flint that can also be found in Sancerre wine.

A lot of freshness in the mouth for this very structured and lightly effervescent wine.
