

Le Doux " Bandits de Loire"

AOP Coteaux de Saumur, Vallée de la Loire et Centre, France

Brilliant and exuberant, Le Doux uses its know-how to draw sugar from the heart of the fruit and offer a rich and unctuous nectar.

PRESENTATION

Brilliant and exuberant, the Doux uses its know-how and knowledge to magnify the grapes and turn them into wine.

The morning mists from the surrounding streams envelop the vines at dawn. They are then swept away by the wind, favoring the appearance of noble rot: a natural process which will concentrate the sugar and the aromatic intensity.

TERROIR

Chalky soils (tuffeau).

Chenin 100%
