

Saumur Puy-Notre-Dame Rouge Les Petites Roches

AOP Saumur Puy-Notre-Dame, Vallée de la Loire et Centre, France

LOCATION

The main characteristic of the Saumurois region is its clay-limestone soil (tufa), which allows the vines to take root well and is moderately watered.

TERROIR

Situated on plots of land at an altitude of between 50 and 105 metres, and on hard Jurassic limestone soils, the vineyard of the "Les Petites Roches" cuvée is one of the best terroirs of the appellation. The fine selection of grapes by berry tasting and the specific terroir of this cuvée give it structure, power and elegance.

WINEMAKING

Selection of grapes in the vineyard by berry tasting. Traditional vinification. De-stemming of the harvest, long maceration and gentle extraction.

AGEING

Bottled in the tuffeau cellars where it continues its maturation protected from light and temperature variations.

VARIETAL

Cabernet franc 100%

Contains sulphites.

SERVING

Serve at 16°C.

VISUAL APPEARANCE

Ruby colour.

AT NOSE

This wine has a powerful, complex nose, dominated by notes of black fruit (cherry, blackcurrant, blackberry) and spices.

ON THE PALATE

The palate is full-bodied and powerful, with superb balance and silky tannins. Fresh and persistent finish with liquorice notes.

FOOD PAIRINGS

Il accompagnera les poissons en sauce, les volailles rôties, les grillades et viandes rouges.
