

# Centifolia, AOP Rosé de Loire, Rosé

**LOCATION :** The vineyards are located in the heart of the Saumur region, in the communes of Montreuil-Bellay and Bellevigne-les-Châteaux.

**TERROIR :** The vines are planted on clay-limestone soil.

**WINEMAKING :** The grapes are machine-harvested. They are received, destemmed and pressed directly. They are then fined, settled and put into fermentation.

Fermentation is completed.

**VARIETALS :** Cabernet franc 100%

**SERVING :** Serve chilled (8-10°C).

To the eye, a lovely salmon color.

A rose-like floral note that opens up as the tasting progresses.

Beautiful balance between red fruit (strawberries, fresh raspberries) and grapefruit-like citrus. These aromas add a certain gourmandise and the palate finishes with a lovely minerality.
