

CENTI FOLIA

Centifolia, AOP Rosé de Loire, Rosé

AOP Rosé de Loire, Vallée de la Loire et Centre, France

Centifolia is the embodiment of delicate rosés, shaped and cradled by the gentleness of the Loire.

This Rosé de Loire with its unique profile represents all the rich sensory qualities of the Loire. The pure, slender lines of its bottle symbolise the art of living in the Loire Valley: an invitation to slow down and appreciate the beauty of the moment.

LOCATION

The vineyards are located in the heart of the Saumur region, in the communes of Montreuil-Bellay and Bellevigne-les-Châteaux.

TERROIR

The vines are planted on clay-limestone soil.

WINEMAKING

The grapes are machine-harvested. They are received, destemmed and pressed directly. They are then fined, settled and put into fermentation.

Fermentation is completed.

VARIETAL

Cabernet franc 100%

SERVING

Serve chilled (8-10°C).

VISUAL APPEARANCE

To the eye, a lovely salmon color.

AT NOSE

A rose-like floral note that opens up as the tasting progresses.

ON THE PALATE

Beautiful balance between red fruit (strawberries, fresh raspberries) and grapefruit-like citrus. These aromas add a certain gourmandise and the palate finishes with a lovely minerality.
